Major: Business Administration

Favorite Movie: The Passion of the Christ. While this isn't a movie that gets me jumping on my feet, it leads me into a deep meditation and prayer with God; and a movie that helps me to discover God in a deeper way is certainly one of my favorites. No other movie has quite captured the humanity and intense humility of Christ quite like this one.

If you could bi-locate right this second, where would you bi-locate to?

Heaven!! But then I'd die...and then I'd be dead but still kind of alive since I bi-located. And that would cause a bunch of problems. And now my head is spinning. So I'll go for the next best thing: somewhere where the Mass is being celebrated so I can receive Jesus in the Eucharist and He will take me into Heaven at that moment anyway!

Personal Motto: I'll use another's words because this saint put it so perfectly: "The Eucharist is everything; we need nothing more." –Saint Peter Julian Eymard
